

Scottish National Racing Pigeon Club

The 2012 National Winners

Annual General Meeting.

The clubs AGM will be held on Saturday 9th February at Newbridge Bowling Club all notices of motions to be in the hands of the secretary by 30th November, as stated in the year book. Hopefully as previous years we will again look forward to a large attendance from our members. I'm sure the membership are happy the way the club is progressing under the guidance of President Ian Brown and secretary John McFall we are also fortunate have a very forward thinking committee that explore every opportunity to progress the club forward into the future with the latest technology available.

Annual Dinner and Presentation of Prizes

The Dinner will again be held, at what has now become our home venue The Cairn Hotel Bathgate on the 28th January, we have been going to the Cairn since our first presentation in 2005.

This year we are delighted to announce that we have as our main guest Mr David Higgins the President of the Royal Pigeon Racing Association.

Our president and secretary have done an excellent job by securing the same prices as last year from the hotel, this is an additional bonus for our members when you take into account today's financial climate where costs seem to escalate at every opportunity.

Please contact our secretary on 01698 324638 for your tickets and accommodation.

SNRPC Champion Awards

Please forward any claims for the 2012 Awards to the secretary, President or myself to enable us to have them prepared to present at the Dinner.

Section D

For season 2013 section D will be race marking at Laurieston club rooms this is a great step forward for the section with this venue being far more central and accessible for fanciers in this area. We are extremely grateful to the Laurieston club for the use of their facility.

Laurieston is situated on the A803 just off the M9 between Falkirk and Polmont.

Communication

For season 2013 we are hopefully going to operate a texting system as an extra method of communicating with our members for race and liberation news, this along with e/mail is a positive step forward for the club to keep our members updated. Members should please remember to add their mobile phone number and their e/mail address on their membership application form or any communication to the secretary this will enable us to set things in motion quickly for this service.
